## 1.0 CARGOMODAL

---

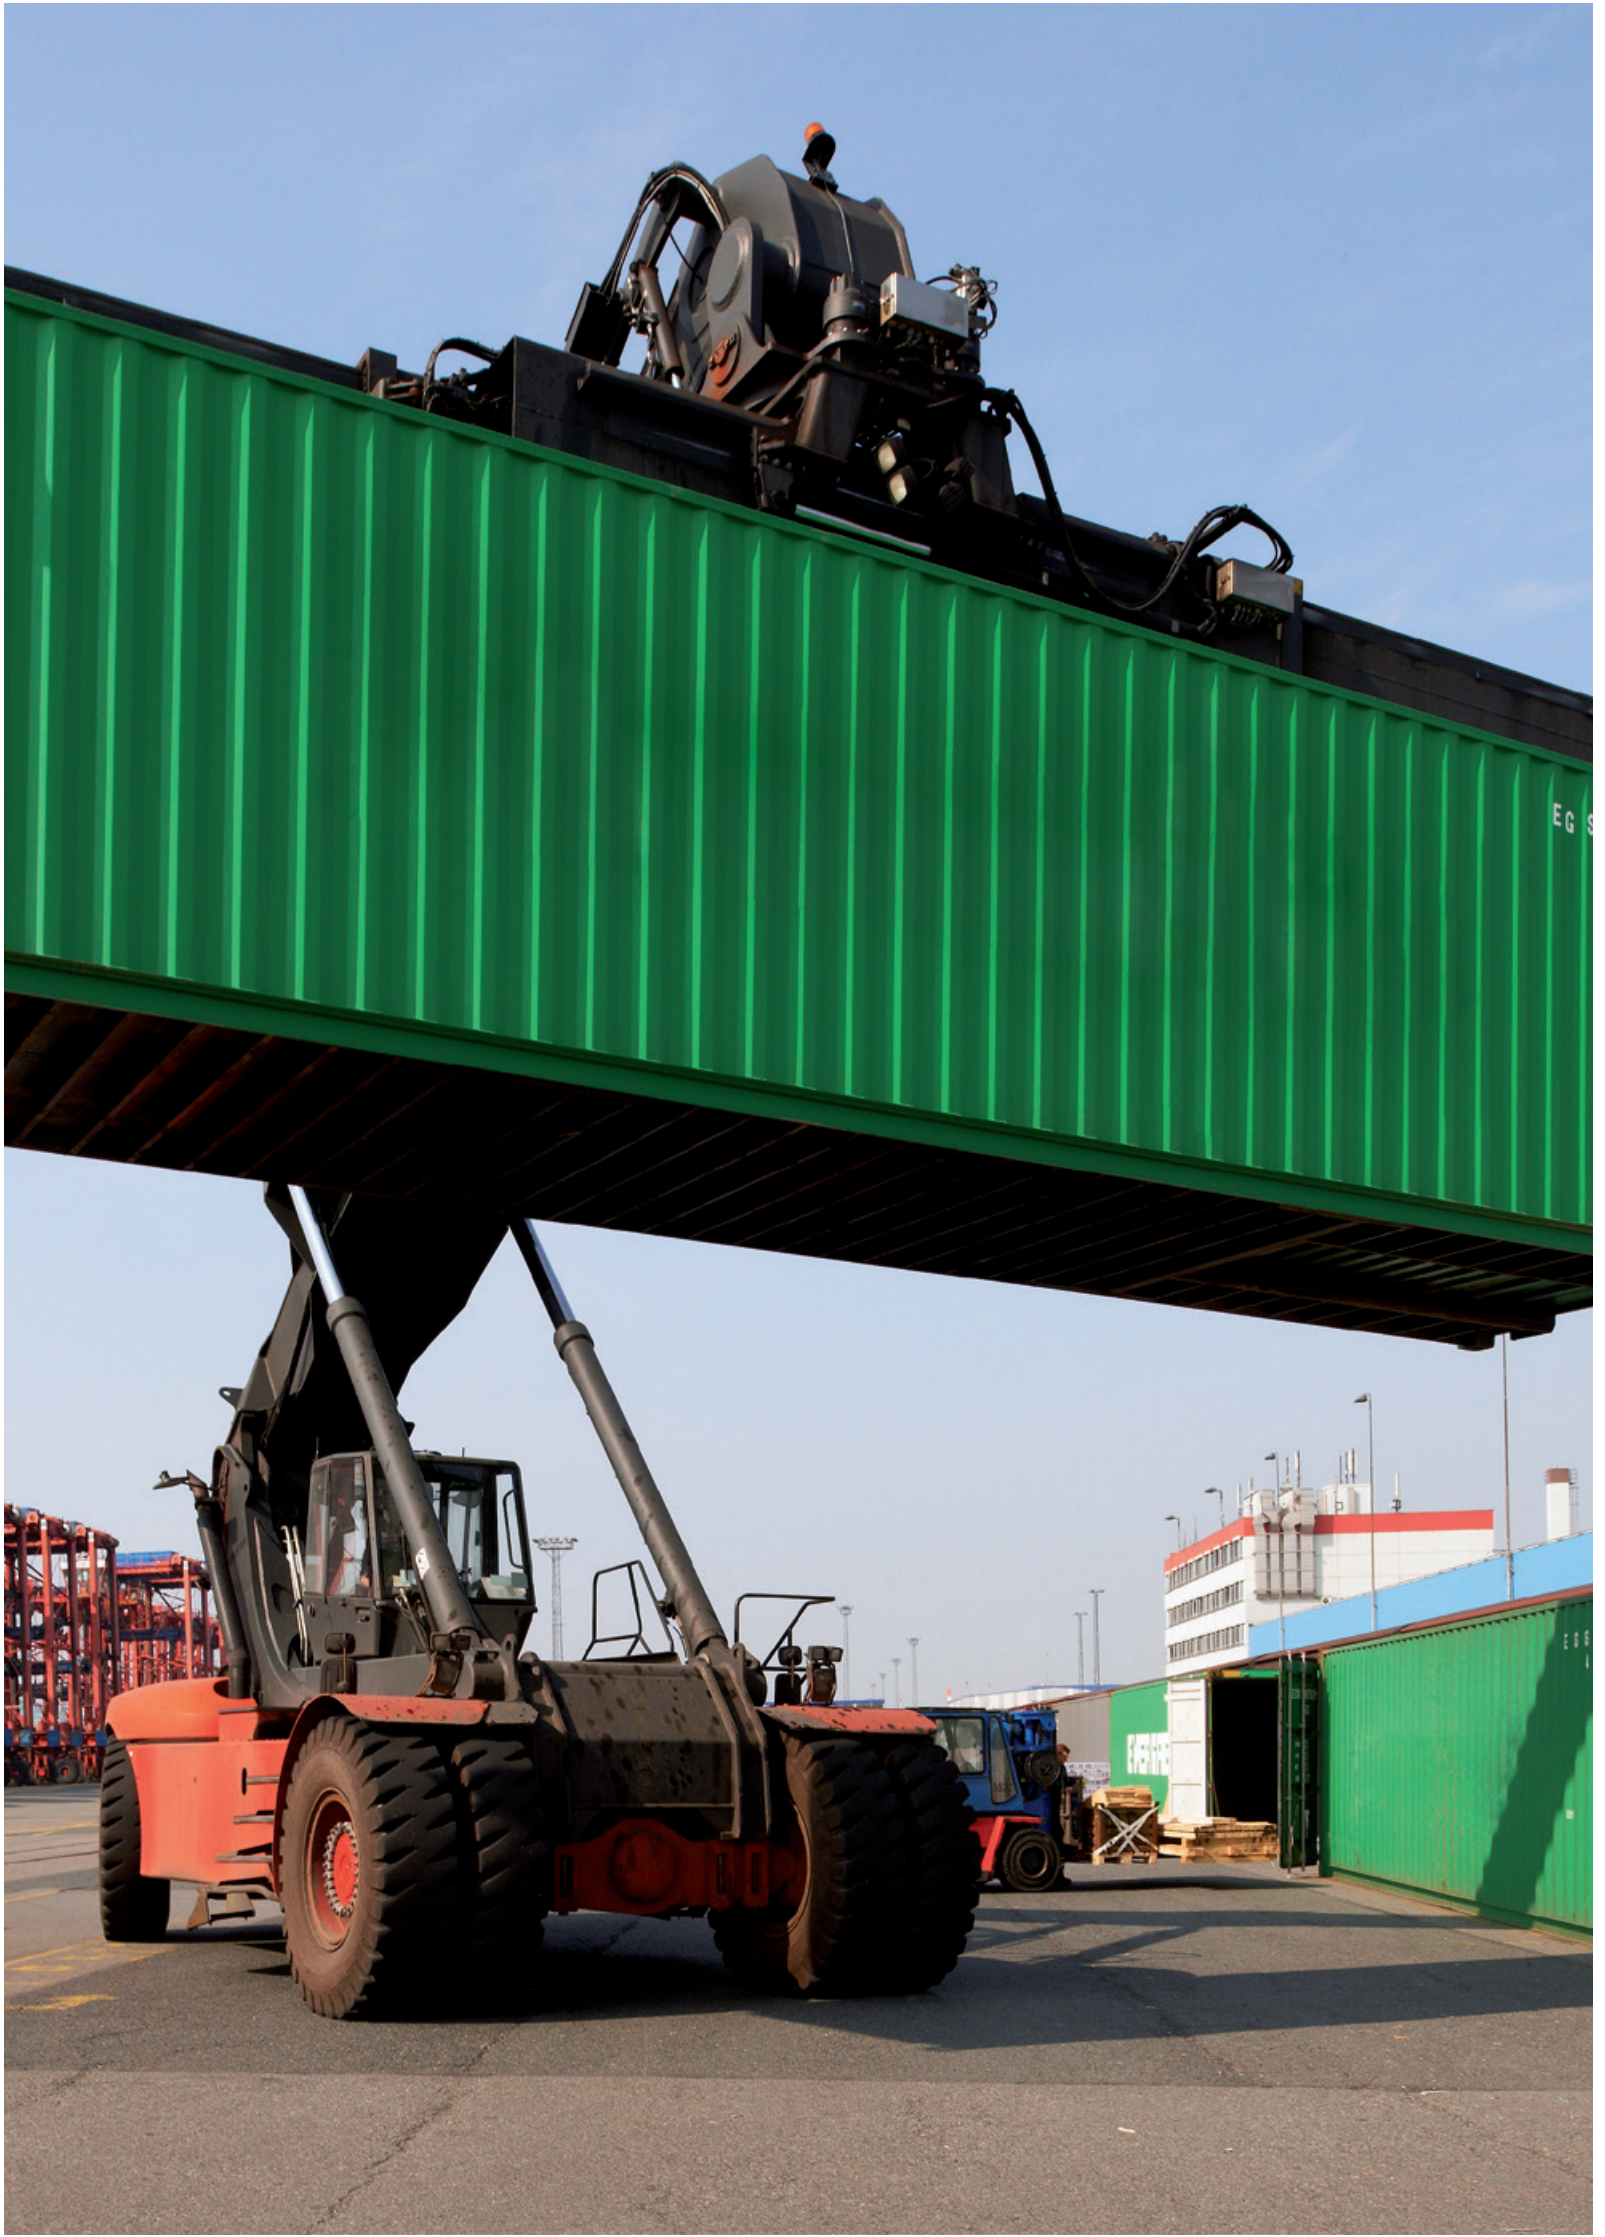

### **EUROGATE CARGOMODAL – RUNNING A TIGHT SHIP WITH YOUR CARGO**

With us, your goods are always in the best of hands when it comes to packing or lashing. In addition to high-performance facilities and customised services, our sites in Bremerhaven and Hamburg can provide you with the added bonus of highly skilled, experienced and committed employees.

Our teams at SWOP Seaworthy Packing and Container Freight Station in Bremerhaven are your reliable partners in efficiently integrating land and sea transport.

And whatever you want to transport or pack, we have the perfect solution. Our handling expertise ranges from paper, fire bricks, cellulose, wood products, dangerous goods and steel to consumer goods and products made by the metal, mechanical engineering and electrical industries, as well as drinks and luxury cars. The advantages for you: all members of the Group are optimally integrated, work on the basis of uniform quality standards and ensure a seamless service for you that guarantees faster processes and absolute transparency.

At the terminals operated by the EUROGATE Group, our experienced teams offer you comprehensive cargomodal services and care and flexibility in the handling of your goods.

## 1.1 LOADING AND UNLOADING

---

### CONTAINER FREIGHT STATION – SERVICE WITH PASSION

Bremerhaven has the longest container quay in Europe. EUROGATE Container Freight Station – your specialist for the rapid and smooth handling of all types of goods – is located directly on the terminal site. In addition to the stuffing and stripping of goods to be shipped overseas and the storage of various types of goods, our range of services also includes complete break bulk handling.

Easy access, a high level of flexibility, special equipment and skilled staff make us your complete service provider for all things container-related. We provide you with a complete logistics solution, from planning right up to a door-to-door-service. Benefit from our years of experience, tailored services and passionate commitment. With us, your goods are in good hands.

## 1.2 PACKING AND TRANSPORT

### SWOP – TAILORED PACKING SOLUTIONS

Oversized loads, project cargo, particularly fragile or heavy goods: SWOP Seaworthy Packing protects your cargo to ensure safe sea or land transport. Our top priority is to guarantee the proper securing of your load. At the terminals, trained and experienced specialists look after everything from the planning and consulting needed for worldwide standard and special packing, to the complete handling, collection and storage of your goods. We are your one-stop shop for all services. As a subsidiary of the EUROGATE Group, we have access to a Europe-wide network and extensive partnership opportunities.

EUROGATE is Europe's leading, shipping line-independent container terminal operator group. Working together with its sister company Contship Italia, EUROGATE operates 11 container terminals between the North Sea and the Mediterranean Sea. It also provides its customers with a variety of intermodal and cargomodal services. EUROGATE was founded in 1999, when the container activities of the BLG Logistics Group in Bremen were merged with the operating activities of Hamburg-based container-handling company EUROKAI. EUROGATE's headquarters are in Bremen. For more information, please visit: [www.eurogate.eu](http://www.eurogate.eu)
